

WOULD YOU LIKE **FREE SUPPORT**

...to find your new
work direction?

Whether you're looking for another job, wondering about self employment or thinking about education or training, give us a call on **07731 015 15** to start your journey back to work.

Focus from the Outset and Outset Cornwall offer fully funded business start-up support and back- to-work programmes, designed to help you explore your transferable skills, experience, strengths, passions and interests, so you can generate your own ideas or build on existing ones.

Whatever your situation, we can help get you where you want to be.
